# Get more done.

## Fluke HVAC/IAQ Tools.

We offer a family of quality HVAC tools that cover the systems you service and install today. And, they are always the rugged, reliable tools that professionals, such as you, can count on, again and again.

**New**

### Fluke 922 Airflow Meter

#### Now, a simple solution for diagnosing ventilation issues

Air flow measurements made easy by combining pressure, air flow, and velocity into a single, rugged meter.

#### Fluke 922 helps you:

- Ensure proper air flow balance
- Monitor pressure to extend HVAC component life.
- Promote good indoor air quality
- Maintain a comfortable environment

**New**

**Fluke 975 AirMeter™**

**Five powerful tools in one!**

Measures temperature, humidity, velocity, CO<sub>2</sub>, and CO.

**New**

**116 HVAC Digital Multimeter**

**Designed by HVAC professionals. Engineered by Fluke.**

Compact true-rms meter with temperature and microamps for HVAC troubleshooting.

**New**

**902 True-rms HVAC Clamp Meter**

**Clamp designed just for HVAC professionals.**

Combined with true-rms technology and a CAT III 600 V rating, 902 includes temperature, capacitance, and dc microamps measurements.

**561 HVAC Pro IR Thermometer**

**Multipurpose thermometer for heating, ventilations, air conditioning and refrigeration inspections.**

Contact and non-contact temperature measurements in one meter.

**The new Fluke 922 Airflow Meter combines pressure, air flow, and velocity into a single, rugged meter.**

**Compatible with most pitot tubes, the Fluke 922 allows technicians to conveniently enter their duct shape and dimensions for maximum measurement accuracy. The Fluke 922 Airflow Meter helps promote air flow balance and good air quality.**

**Fluke 922 comes complete with the following:**  
 Fluke 922 Airflow Meter, Two Rubber Hoses, Wrist Strap, Four AA Batteries 1.5 V Alkaline, Users Manual and Soft Carrying Case

**Key Features:**

- Provides differential and static pressure, air velocity and flow readings
- User defined duct shape and size for maximum utility
- Convenient colored hoses
- Easy to use without sacrificing performance

**Fluke 922 Airflow Kit also available which includes:**  
 Fluke 922 Airflow Meter, 12 in. pitot tube, ToolPak™, Two Rubber Hoses, Wrist Strap, Four AA Batteries 1.5 V Alkaline, Users Manual and Hard Carrying Case

**Optional accessories**

**PT12**  
 Pitot Tube, 12 in

**TPAK**  
 ToolPak™
